

Commercial leasing of Platinum Towers to begin

CPB Polska is now the leasing agent for Platinum Towers

Developer Atlas Estates has selected real estate services company CPB Polska as the exclusive leasing agent for its Platinum Towers residential complex in Warsaw. CPB will be responsible for leasing more than 1,400 sqm of retail and service space located on the project's ground floor. The outlets are scheduled for completion at the beginning of Q4 2009.

"The main criterion in the selection of tenants of Platinum Towers' commercial

space will be meeting the needs and expectations of the residential towers' future residents," said Michał Witkowski, marketing and sales director at Atlas Estates.

Located at the intersection of ul. Grzybowska and ul. Wronia in Warsaw's Wola district and consisting of two 22-storey towers, the Platinum Towers project is part of a larger complex that includes the Hilton Warsaw Hotel & Convention Centre property. The

residential towers will offer a total of 396 apartments with an average price of zł.20,500 per sqm.

Atlas Estates is active in Central and Eastern Europe and its major investments in Poland include the Capital Art Apartments residential development and Millennium Plaza office project in Warsaw. Since February 2008, the company has been listed on the Warsaw Stock Exchange.
